

# **Student Exchange Program between Tokyo Institute of Technology (TIT) and University of Peradeniya**

*(19-22 March 2018)*

The International Affairs Office coordinated and conducted the annual Student Exchange Program with the Tokyo Institute of Technology, Japan from 25 August - 02 September 2018. The program included a lecture series, field visits as well as interaction sessions with students from both Universities.

Prof. Ananda Kumara and Mrs. Miwako Taya along with another 07 administrative staff members guided the 11 students of the TIT during the exchange program. Mutual understanding between the different cultures, exposing to the Sri Lankan education and developing academic, research collaborations between Japan as well as the two institutions are the basic objectives of the Student Exchange Program.
